N.I.C.K.'S

Nothing's Impossible for Cancer Kids

CAMP • SCHOLARSHIPS
GOLF • ICE SKATING

March 27, 2020

Dear Friends, Family and Sponsors,

As a result of the COVID-19 virus, we have decided to postpone this year's N.I.C.K.'s Night at the Derby scheduled for May 3rd and 4th, 2020.

Although we are postponing the event, we realize that our students who were awarded scholarships will still need their money for college in the fall. Please know that all scholarship money previously committed to these students has been set aside for them. In addition, there is an outside chance that N.I.C.K.'s camp could still be held in June. We also expect N.I.C.K.'s Golf and N.I.C.K.'s Ice Skating programs will be postponed for the next two months, but will hopefully take place later this year.

It has been heartwarming how supportive and generous our donors and sponsors have been throughout this unprecedented time. To those who have already sent in donations, we will be sending out thank you letters with tax deduction information in the near future. When this crisis clears, we will be back in touch to let you know what other fundraising opportunities might take place. One idea might include a fall golf outing.

Right now, we just want to say thank you for always being there for our foundation and our kids who continue to battle cancer. We pray that you and your families stay safe and healthy and that N.I.C.K.'s kids can still have some fun later this summer and fall.

We look forward to getting back to you soon.

Sincerely,

Louis J. Chiera
